The Honorable A. O. Aalborg,
(Provincial Treasurer,)
Legislative Building,
EDMONTON, Alberta.

Honorable Sir:

We wish to submit the Forty-Fourth Annual Report of the Alberta Liquor Control Board covering the operations for the year ending March 31st, 1968.

Net profit from sales of liquor and beer amounted to \$37,904,563, an increase of \$4,620,764 over the previous year due largely to higher volume of sales.

DISTILLERY, BREWERY AND WINERY LICENCES

One distillery, six breweries and two wineries were licensed. Products of the distillery, the wineries and breweries were subjected to both regular and spot analyses and a high standard of quality was maintained.

HOTELS

BEVERAGE ROOM AND BEER VENDORS' LICENCES

As at March 31st, 1967, there were 433 licensed hotels in operation. During the year 1967-1968, one hotel formerly licensed received new licences following renovation of the premises and one hotel converted one of their dining rooms to a special beer room receiving beverage room and beer vendors' licences.

The licences of the Coleman Hotel, Coleman, were surrendered and not replaced during the licence year. The licences of the Yale Hotel, Edmonton, and the St. Regis Hotel, Edmonton, were surrendered, both hotels having terminated operations due to urban redevelopment.

The following hotels were destroyed by fire and not rebuilt during the year:

Kitscoty Hotel, Kitscoty
 Commercial Hotel, Bellis
 Donald Hotel, Grande Prairie
 El Rancho Motor Hotel, Lethbridge
 Acadia Hotel, Acadia Valley

A total of 427 licensed hotels were in operation as at March 31st, 1968.

Hotels sold during the year numbered 62 compared to 49 during the previous year.

As a result of minor infractions of the Acts and Regulations, or failure by the licensee to comply with the required standards of operation, letters of warning were sent to 21 licensees.

A total of 32 hearings were held in respect to violations of the provisions of The Liquor Control Act, The Liquor Licensing Act and The Regulations. These resulted in warnings or severe reprimands being issued in 17 cases and suspensions for varying periods of beverage room licences and beer vendors' licences in 15 hotels:

Unsatisfactory Operation and Supervision of the Licensed Premises	7
Sale of Beer to a Minor	4
Failure to Provide Minimum Serve of Beer	1
Permitting Unauthorized Persons in the Beverage Room during Prohibited Hours	1
Sale of Beer during Prohibited Hours	1
Abandonment of the Hotel by the Licensee	1
	<hr/>
	15
	<hr/>

(See Appendix "A" for further details as to suspensions)

One hotel was abandoned by the licensee and licences suspended but later reinstated in the name of the licensee's wife following a board hearing. In all cases where disciplinary action in respect to licences was being considered, owners or operators were advised in writing and were given an opportunity to appear before the board to discuss details of infractions and to make representations, either personally or through counsel, prior to decisions being reached by the board.

In furthering its policy of maintaining and improving the generally high standard of accommodation and service in licensed hotels throughout the province, the board received the fullest co-operation of the Alberta Hotel Association and its officers. A representative of the Association attended all hearings of the board where licences of members were involved.

DINING LOUNGE AND LOUNGE LICENCES IN HOTELS LICENSED FOR THE SALE OF BEER

This year one additional dining lounge licence was issued with respect to new dining lounge premises in a hotel and one hotel formerly licensed received dining lounge and lounge licenses following renovation of the premises and purchase of the hotel by new owners. This makes a total of 60 dining lounge licences and 55 lounge licences operative in licensed hotels compared to 58 dining lounges and 54 lounges in the previous year.

Entertainment authorizations in conjunction with 26 of the above noted dining lounge licences were issued this year compared to 25 in the previous year.

DINING LOUNGE AND LOUNGE LICENCES (OTHER THAN IN LICENSED HOTELS)

As at March 31st, 1967, there were 66 dining lounges and 49 lounges in operation. During the year, six additional dining lounge and one additional lounge licences were issued for new premises. Two airlines received dining lounge licences. One establishment having dining lounge and lounge premises was destroyed by fire and not replaced. Having terminated its operations due to urban redevelopment, the Shasta Restaurant, Edmonton, surrendered its dining lounge and lounge licences.

A total of 72 dining lounges and 48 lounges were operative as at March 31st, 1968.

Entertainment authorizations in conjunction with 29 of the above noted dining lounge licences were issued this year compared to 25 in the previous year.

The board wishes to express sincere appreciation to the officers and men of the R.C.M.P. and to the City and Municipal Police throughout the province for their efficient co-operation in enforcing the provisions of The Liquor Control Act and The Liquor Licensing Act.

Edmonton, Alberta, August 16, 1968

I have audited the books and records of the Alberta Liquor Control Board for the year ended March 31, 1968.

Physical inventories of liquor, beer, containers, etc., were taken at March 31, 1968, by officials of the Board. Quantities were certified by respective warehouse and store managers.

Stocks were priced at cost landed in bond or duty paid cost in warehouses. The cost of transferring stock from warehouses to stores was not included in the inventory valuation.

Inventories included goods on consignment amounting to \$854,314.81, the corresponding liability being included with accounts payable in the Balance Sheet.

The appropriation of profits for capital account and reserve fund as provided by Section 25 of The Liquor Control Act amounted to \$9,951,530.60 as at March 31, 1968, after providing \$10,000.00 from the net income of the year and charging thereto \$214,454.92 representing loss on disposal of capital assets.

The following items are not reflected in the Balance Sheet of the Alberta Liquor Control Board:

- (A) A contingent liability in respect of non-contributory pensions which may be awarded upon employees reaching retirement age and in respect of contributions under The Public Service Pension Act for employees' first year service.
- (B) Commitments in respect of uncompleted building contracts in the amount of \$69,709.13.
- (C) A contingent receivable of \$82,217.27 representing increased payments to the Government of Canada in respect of duty and sales tax applied on the basis of a tariff which is subject to ratification by the Parliament of Canada.

Subject to the foregoing, I certify that, in my opinion, the above Balance Sheet is properly drawn up so as to show the true financial position of the Alberta Liquor Control Board as at March 31, 1968, according to the information and explanations given to me and as shown by the books of the Board and the accompanying Statement of Profit and Loss correctly sets forth the result of operations for the year ended at that date.
